### Our Mission

His House Children's Home is a faith-based social services agency fulfilling God's directive to defend the cause of the "weak and fatherless" by providing excellent care and a safe place to call home.

### Our Vision

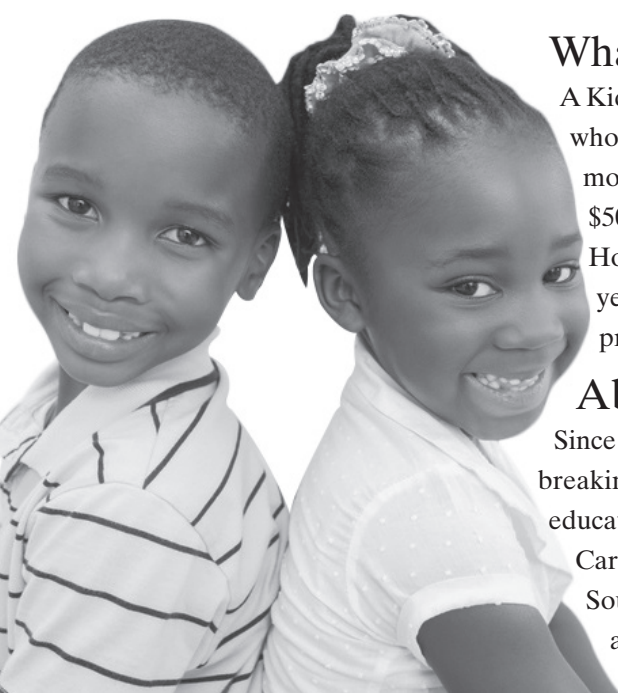

It is the vision of His House that the hearts of all children and families in crisis be healed, and that every child has a safe and nurturing home. We will succeed in achieving our vision by providing safe and loving home to abandoned, abused and drug exposed children in South Florida, while giving the children and their families an opportunity for change.

## What is a Kids' Keeper?

A Kids' Keeper is a special friend of His House Children's Home who provides a backbone of support for our ministry through monthly giving. While their gifts range from a few dollars to \$500 or more, each Kids' Keeper has a special bond with His House and the hundreds of children whom we serve each year through our residential and foster family recruitment program.

## About His House Children's Home

Since 1989, His House Children's Home has been committed to breaking the cycle of abuse while meeting the emotional, medical, educational and social needs of each child we serve.

Caring staff and volunteers address these needs so South Florida's hurting children can find healing and reach their full potential with access to all available social and health opportunities.

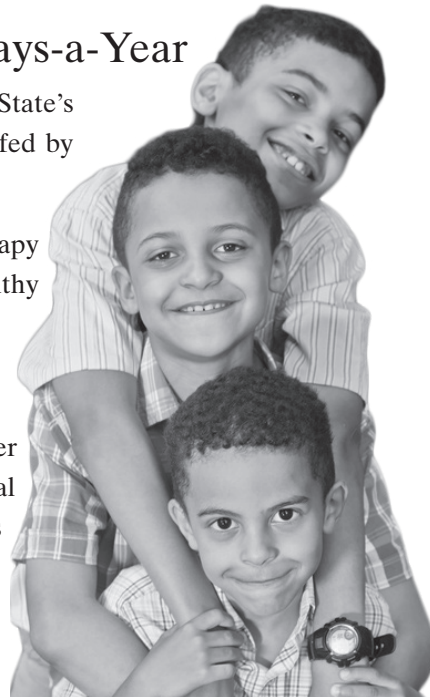

## Kids Keepers Provide Critical Support 365-Days-a-Year

In a cozy homelike setting, His House cares for children in crisis in the State's custody. Each cottage provides a home for 10 to 12 children and is staffed by nurturing childcare professionals.

The on-site counseling center provides individual, family and group therapy to help children heal from past abuse and restore their lives through healthy emotions and behavior.

## Foster Family Recruitment Program

Every child deserves a safe place to call home. The His House Foster Family Recruitment program was established in 1996 to expand residential services by inviting families in the community to share their own homes with children in need. His House recruits, trains, licenses, and supports foster parents.

## Volunteer Program

Volunteers are valued members of our organization. Their gift of time enriches and broadens the services at His House Children's Home. Monthly orientations are held on campus to educate volunteers on our mission and values. We match children's needs with the talents and skills of faithful volunteers.

## Mentorship Program

Adult mentors provide youth with supportive one-to-one relationships. This life-changing program gives individuals in the community an opportunity to be an inspiration and make a positive difference in a child's life.
