SEASON'S GREETINGS!

We invite you to participate in the most magical event of the year at His House Children's Home, Deck the Halls, taking place on December 4, 2021. Sponsor a home this year and support the launch the holiday season on our campus, which will bring much joy to the youth in our care. You will put a smile on their faces as they see the interior and exterior of their homes light up and ready for Christmas.

Christmas represents love, family and happiness. It can also be a sad time for children in foster care who find themselves away from home and missing their biological families. Many of them have never even experienced the joy of opening new gifts.

The tradition of Deck the Halls is greatly anticipated each year by our children and has enabled beautiful memories thanks to the support of individuals like you. As a family, the kids and caregivers enjoy a delicious breakfast and open their gifts together on Christmas morning - all because of this wonderful event that helps set the mood for the entire holiday season.

We thank you in advance, on behalf of all of us and His kids, for creating memories they will treasure for a lifetime.

Merry Christmas

WITH GRATEFUL HEARTS
THE HIS HOUSE FAMILY

Welcome

TO DECK THE HALLS

Sponsor a home this Christmas! Your generous donation will help us purchase all items we need to Deck the Halls for our children.

Due to the ongoing pandemic, this year with your donation we will purchase all holiday decorative items in bulk, each unique to each home, to ensure everything arrives on time. We will provide you with a detailed list of items purchased for the home you sponsored.

Once you have received confirmation of your assigned home number, on December 4th, we invite you to Deck the Halls from 10:00am-11:00pm. You and up to 10 of your family and friends are welcome to decorate the exterior of your designated home and help assemble the Christmas tree that will be placed in the home's living room.
