## FROM EXECUTIVE DIRECTOR

SILVIA SMITH - TORRES  
Executive Director

Dear friends,

We are incredibly excited to announce the return of our annual Imagine Charity Gala. After postponing the event for two years due to the pandemic and many unforeseen challenges, His House Children's Home is delighted to welcome you back.

For children in foster care, the pandemic was especially difficult. Providing a safe space for them to feel loved and cared for became critical; His House became one of the first residential campus in the State prepared to take in children who were exposed to COVID or tested positive.

The children we have welcomed into our care found healing and restoration, many thriving beyond expectations. Our mission continues because of the generosity of friends like you.

Our signature event in the Miami community gathers more than 400 of the city's most influential individuals for an evening of fine dining, an exclusive silent auction, and live entertainment.

Please accept my personal invitation to join us this evening. Together, we can continue to restore the lives of close to 1,000 children we serve annually. We have missed celebrating with you over the last few years and are delighted to reunite for this joyous occasion. We look forward to creating lasting memories with you again.

# RESTORING HOPE IN THE LIVES OF CHILDREN IN FOSTER CARE

His House Children's Home is a private non-profit, faith-based organization dedicated to restoring the lives of children from newborn to 18 years of age. The agency is licensed by the Florida Department of Children and Families, contracted by Citrus Family Care Network in Miami-Dade/Monroe and ChildNet, in Broward County. For over 32 years, His House has brought stability to the lives of over 21,000 children and remains a frontline provider of residential and child placement services.

In a beautiful campus setting with a 232-bed capacity, the organization cares for children removed from their home due to abandonment, abuse or neglect. His House is innovative in its commitment to increasing capacity to keep large sibling groups together which is critical for their well-being during their traumatic separation from their parents. In 2019, at any given time, over 60% of children residing on campus are part of a sibling group of three or more children.

Designated by the Office of Refugee Resettlement, His House International was established in 2008 to care for Unaccompanied Children under the age of 18 who left their native countries due to gang violence, homelessness, economic hardship or abuse in the hopes of starting a new life in the U.S. It is the program's purpose to provide every UAC client in care with a safe and nurturing family environment while expediting their case and corresponding documents for their timely reunification or release. Since its inception, over 6000 unaccompanied children have called His House their home.
